

# Large as Life (Acting Edition)

Betty, a passionate, doting mum from Leeds finds it hard to accept that her son, Mark, is leaving the fold to get married. On the wedding morning she retreats to the loft where she relives her long-lost youth and the affair with the man she might have married, and gradually reconciles herself to the imminent departure of Mark. A heartfelt, provocative, masterful play.

This edition of the play was revised and updated by the author in 2010 following the BBC television adaptation starring Sue Johnston and Billie Piper.
